SAFAR LEE WHOLESALE

TRADE LOOKBOOK

SAFAR LEE - WHOLESALE FOR B2B

The right pieces for your shop.

Safar Lee brings you products made for your retail store and your brand. Our designs are already loved in Europe. They are created where European and Korean curation meets Indian craftsmanship: distinctive, on-trend pieces at a fair price.

Every piece is made by skilled artisans in India.

Mix freely. Count the total.

Pricing that fits your order.

Every shop is different. We keep minimums low and offer three price tiers based on how much you order, from a first small order to a full production run.

HOW IT WORKS

TIER	YOUR ORDER
A	**Metal: 60 pieces in total (min. 20 per article)** **Textile: 50 pieces per design** our best price · takes 3–4 weeks for production
B	**40 pieces** in total any mix of designs (Min. 6 pcs per design)
C	**20 pieces** in total any mix of designs (Min. 4 pcs per design)
